

COLOURSTREAM

ENVIRONMENTAL POLICY STATEMENT

Colourstream is an industry leading commercial printer based in the East Midlands. Through the development of an environmental management system (EMS), we are committed to the prevention of pollution.

Colourstream will seek to continually improve its environmental performance by:

- *Ensuring compliance with relevant legal and other requirements*
- *Reducing energy, solvent and water use*
- *Minimising paper waste by continually analysing and improving production practices*
- *Maintaining the FSC/PEFC chain of custody*
- *Continually assessing the benefits of improved technology to reduce our environmental impacts.*
- *Segregating our wastes to facilitate recycling*
- *Providing the option for customers to specify recycled and FSC approved papers*
- *Communicating environmental best practice to employees and contractors and providing training where appropriate.*

Colourstream will maintain a programme of objectives and targets against which performance will be measured and reviewed by the Board of Directors every 12 months.

Signed

John Greene
Managing Director
